WEEKLY MEETING

10 JAN 2024

This week's featured speaker **Rtn. Niket Doshi**, is truly an extraordinary individual, recently crowned as the **IronMan** at the triathlon held in Sweden. In addition to this remarkable achievement, he holds the position of Charter President at the **Rotary Club of Kolhapur Evolve** and serves as an **Assistant Governor**.

Being one of the few Indians participating in this prestigious event, Rtn. Niket has previously showcased his prowess in the **Half IronMan** event in Goa. For those unfamiliar with the grueling IronMan competition, it comprises a 4 km swim, 180 km of cycling, and a challenging 42 km run, all to be completed within a maximum time frame of 16 hours.

Rtn. Niket shared a unique connection with Sweden, having had the opportunity to study there through the **Rotary Youth Exchange** program. During the IronMan event, faced with sold-out hotels a year in advance, the President of the **Rotary Club of Kalmar** generously provided accommodation for Niket and his family. This highlighted how Rotary opened doors for him in unexpected ways.

Niket's commitment to excellence is evident in his status as a state-level swimmer, contributing to a rigorous weekly exercise routine of 35–40 km of running, 200 km of cycling, and an impressive 80 km of swimming. The IronMan competition, held in challenging environments, features open-sea and lake swimming, as well as running and cycling on natural terrains.

On the race day, Niket embraced the spirit of self-competition, swimming 4 km in the Baltic Sea with temperatures ranging from 8 to 10 degrees, completing it in an admirable one hour and 15 minutes. The 180 km bike segment, navigated in approximately 8 hours amidst strong, windy coastal weather, preceded a resilient 42 km run in 3 laps. Overcoming physical health challenges, Niket powered through with energy bars, cola, and ice, fueled by a determined mindset to emerge as an IronMan.

Niket imparted valuable insights during his presentation, emphasizing that the decision to embark on such challenges is a victory in itself. He underscored the importance of discipline, cultivating a fixed mental routine, and highlighted how winning the mental battle makes the physical challenges more manageable through proper exercise and disciplined dietary practices.

The audience actively engaged in a passionate Q&A session, posing questions to which Rtn. Niket responded with enthusiasm and passion.

We wished the Rotarians who had birthdays during the week. Rtn. Harshad Dhale proposed the vote of thanks, while Rtn. Abhay Golwalkar was the lucky Rotarian for the meeting.
