# WEEKLY MEETING

The session highlighted handwriting and signature analysis as tools to understand personality and predict behavior. A signature reflects one's public image, while handwriting provides deeper insights into traits and tendencies, including criminal mentality. Changing one's signature was suggested as a way to bring positive changes in life.

Important tips for signatures included avoiding scratching your name, encircling, or using backstrokes, and writing your full name. Specific handwriting traits were linked to personality: left-slanting letters indicate a reserved personality unable to confront others, while straight handwriting reflects openness and activity. Underscores in signatures signify a need for certainty, with double underscores showing heightened caution. Dots after a signature suggest continuous work without rest, while their absence reflects self-sufficiency and no need for external validation.

The session also touched upon drawing analysis as a method to assess personality. The expert analyzed three members' signatures, offering insights into their professional and personal lives.

Every stroke, dot, angle, and the placement of a signature on a blank sheet (viewed as 24 hours) was explained to show its impact on one's profession, relationships, and priorities. The speaker presented the subject with clarity, providing actionable advice for self-improvement through handwriting and signature adjustments.

# **SONG OF MY HEART**

Island in the stream हे माझे आवडते गाणे..

या गाण्याशी खूप सुंदर आठवणी जोडल्या गेल्या आहेत. हे गाणं मी माझ्या सरांमुळे ऐकलं. शाळेत असताना चित्रकलेचे शिक्षक म्हणून सतीश पोतदार सरांशी ओळख झाली. असे सर मिळणे म्हणजे भाग्यच..

सरांनी आम्हाला पक्षी निरीक्षण करायला शिकवले.निसर्गवाचन करायला शिकवले. दोन दोन दिवस आम्ही राधानगरी च्या जंगलात जात असू. सर मुलांच्या घरून परवानगी मिळवत असत... मधल्या सुट्टीत सुंदर सुंदर पुस्तकं वाचून दाखवत..... सगळं सुंदर तरल कसं डोळसपणे अनुभवायच त्याची दृष्टी सरांनी आमच्यात निर्माण केली. नंतर सर पुण्याला शिफ्ट झाले. पण मग मी सुध्दा अनेकदा पुण्याला जात राहिलो.. सरांनी तेंव्हाच हे गाणे त्यांच्या घरी मला ऐकवले.. पूर्ण खोलीत अंधार करून अगदी एकाग्रतेने गाणं, त्याचा अर्थ, त्याचं म्युझिक, त्यातील वाद्य कशी ऐकायची याचं रसग्रहण त्यांच्या बरोबर राहून राहून मी शिकलो.. एखादी व्यक्ती आपल्या आयुष्याला पूर्णत्व देऊन जाते.. तसे हे माझे सर होते... त्यांच्या वयाच्या छप्पनाव्या वर्षी त्यांना देवाज्ञा झाली. पण त्यांच्या सोबत जगलेला तोपर्यंतचा प्रत्येक क्षण अजुनी आठवणीत जिवंत आहे... त्यांच्या बरोबर ऐकलेले हे गाणे ही सुध्दा त्या जिवंत आठवणींपैकी एक... आज सरांना उद्देशून म्हणावेसे वाटते....Tender love is blind.

It requires a dedication, All this love we feel needs no conversation.. त्या कोवळ्या वयात असं शिक्षकांचं प्रेम मिळणं त्यांनी आम्हाला घडवणं ही दुर्मीळ गोष्ट होती.

Islands in the stream, That is what we are No one in between, How can we be wrong? Sail away with me, To another world And we rely on each other.. असं गाणं मनात सतत वाजत राहतं आणि बरोबरीने सरांची आठवण सुद्धा....

दीपक चरणे...

#### RECIPES

## **Chicken Starter Recipe**

Take half KG of chicken in small pieces, marinate the chicken with turmeric, salt, ginger, garlic paste, chili paste, lemon juice, black pepper, roasted jeera, and coriander powder and little fresh curd, marinate the chicken with all this for around 2 to 3 hours, take a frying fan and add cold, pressed peanut oil and pour the marinated chicken and sauté for 2 to 3 minutes. Cover the chicken and let it leave its juices. Once the chicken is cooked, Open the lid. You will see some water still remaining with the chicken. Just sauté it for few minutes and let the water get dried up. Remove the chicken in a serving bowl. Add freshly chopped coriander, mint and roasted sesame for garnishing and your delicious and healthy protein packed chicken snack is ready. Serve it with your favorite home-made salad.
